

# Weekly update

Up to and including  
Saturday 14th September 2013

Today's update covers the period between Sunday 8th September 2013 through to Saturday 14th September 2013.

I know that some of you do not have internet access; I am more than happy for you to contact the FNL Helpdesk if you wish to see where you are in the table. Please make sure first that you have checked your team isn't in the paper on the Sunday. So if your team is outside of what is printed in the paper and you do not have access to the internet please feel free to contact the Helpdesk. If you have a mobile I am happy to text you every couple of weeks or so with your position. Can I please ask however that you only contact me every couple of weeks. Please can I also ask that you only use this if you don't have access to the internet.

On my website I host three mini-leagues for a set of fans who worked for a security firm, a group of St Albans City fans and the third is a group of Marine FC supporters. The leagues appear every couple weeks depending on how busy I am. If there are any other groups within the FNL 2013/14 that would like to take advantage of the mini-league option, please contact the FNL Helpdesk with a mini-league name and a list of the players you want to include in it. Please note this option is free of charge.
