

# Weekly update

Up to and including  
Saturday 31st August 2013

Welcome to the first update of a new season of FNL. Today's update covers the period between Saturday 10th August 2013 through to Saturday 31st August 2013.

It is really great to finally get underway this season and to see so many old friends and of course a number of new ones. If this is your first journey into FNL, welcome and I can promise you that you are in for a great ride. We actually have 69 more players than last season and we also have some players from The Football Paper and Late Tackle Magazine so welcome to all of you. The total playing the 2013/14 FNL is 1,704.

As always at the start of the FNL season we start with an appeal, if you can't find your team or I have miss-spelt it please get in touch with the FNL helpdesk. Can I however ask you not to get in contact until after you have seen the full table on-line (Please note that the full table will not be on-line for a couple of days). This season sadly has seen a lot of incorrect entries; this has been caused by the addition of the 3 extra wildcard teams. I have managed to contact a number of you but can I please ask the following to contact the FNL Helpdesk, if you don't you will be running for the season with only 21 teams. Mick Jowett (Halifax), M Leach (Weymouth), Keith Slater (Billericay), John Bird (Sutton Coldfield), J Lee (Dover), David Kemp (Hatfield), Terence Hunt (Amersham), Paul Lovatt (Exeter), Dave Lewis (Tewkesbury), Billy White (Dover), Alan Johnstone (Croydon), Stephen Trevillion (Hemel Hempstead), Neville Emms (Broadway), Keith Brooks (Kings Langley), Martin Cooper (Aversham), Ian Millward (Aston-U-Lyne), Reginald Vernon (Burton-On-Trent) and Peter Moulds (Sale).

Now for some info about the game itself, please remember that the early entry bonus of 200pts does not count towards the first Manager of the Month. On the subject of Manager of the Month the first one is a joint one including both the months of August 2013 and September 2013.

As we have now passed into the month of September that means we already have a set of end of month league leader's bonuses to let you know about. Don't forget again this season the bonus is worth 25pts per league leader and new for this season is a -25pts for the bottom club each month. The first named club is the league leader and the second is the bottom club.

Skrill Premier – Cambridge Utd/Aldershot Town , Skrill North – Hednesford Town/Gainsborough,  
Skrill South – Bromley/Farnborough, Evo-Stik Premier – FC United of Man/Stafford Rangers,  
Ryman Premier – Kingstonian/Cray Wanderers, Calor Premier – Poole Town/Hinckley Utd,  
The Mixture – No League Leaders/Radcliffe Borough.

The FNL Main Table and Manager of the Month are very similar during this period until the end of September 2012. I will start covering the top and bottom weekly scorers from next week's update.
