

# Weekly update

Up to and including  
Saturday 2nd November 2013

Today's update covers the period between Sunday 3rd November 2013 through to Saturday 9th November 2013.

Before we get this week's update underway, a quick mention about last week's update. I wrongly named Hemel Hempstead Town as the leaders of the Calor Premier. The actually leaders at the end of October 2013 were Chesham Utd. The mistake was only made in the editorial content and the 25pt bonus was given to Chesham Utd in the main FNL calculations.

As we seem to be flying through the 2013/14 FNL Season with substitutions just on the horizon I thought I would take my first look at the main FNL table. Leading the way at the moment is Fishermans Walk with 6,709pts they have opened up a handy 102pt gap over second placed Hotshots United. In third place is J.P. Specials (Prince), they are 121pts behind our current leader. The top ten is covered by 290pts, the top 25 is covered by 482pts and the point's difference between top spot and 100th place is 725pts. A quick look at the bottom where there is a £100 up for grabs. Barney's Clowns are bottom with 2,028pts and they are 111pts adrift from their nearest rival DoverBaz Stiffs.

Another quick reminder about Hinckley Utd, after today you only have three weeks to make your change. The deadline is Saturday 30th November 2013.

#### The Top 3 teams currently leading the November 2013 Manager of the Month.

1. Wandering Greys.....741pts (159th)
2. Faithful City 2 .....738pts (403rd)
3. DenabyUtd4Ever .....729pts (242nd)
