

Weekly update

Up to and including
Saturday 16th November 2013

Today's update covers the period between Sunday 10th November 2013 through to Saturday 16th November 2013.

A couple of very important subjects to cover in today's update. First of all as of today you only have another six days to make your Hinckley Utd change. As it stands at the moment about a third of the 131 competitors who have Hinckley have contacted the FNL Helpdesk. After this coming Saturday 30th November 2013 any competitor who hasn't swapped Hinckley out will have it done by myself. Just to remind you, please use one of your substitutes to play instead of them and nominate a new substitute team.

The second subject is of course your chance to make changes at the end of December 2013. The substitute window opens on Sunday 1st December 2013 and runs through to midnight on Tuesday 31st December 2013. This is the 31 day period you have to inform me who you want to move out and in. The substitutions will then take effect from Wednesday 1st January 2014. All substitution requests must be in writing either via e-mail to the FNL Helpdesk or by post to FNL Substitutions, 4 Wightmans Orchard, Piddletrenthide, Dorchester, Dorset, DT2 7QQ. **NO TELEPHONE REQUESTS WILL BE ALLOWED.** You are allowed to change up to 3 teams out of the 5 teams you selected on your entry form. You can change any team you like they do not have to come from the same league that also includes your wildcard selections.
