

Weekly update

Up to and including
Saturday 21st December 2013

The seven days that this update covers is the first time this season that we have had a problem with the weather which is a great improvement on this time last season. The heavy rain and high winds has resulted in a number of games being cancelled. Of course the postponed games will be played at a later date but none of them are likely to be played in this month and that could affect your chance of winning our latest Manager of the Month which is of course for the month of December 2013.

Today sees your final reminder about the details for activating your FNL 2013/14 Substitutions. The FNL 2013/14 Substitute Window closes at midnight on this coming Tuesday 31st December 2013. That means you only have two more days to inform me who you want to move out and in. The substitutions will then take effect from Wednesday 1st January 2014. All substitution requests must be in writing either via e-mail to the FNL Helpdesk or by post to FNL Substitutions, 4 Wightmans Orchard, Piddletrenthide, Dorchester, Dorset, DT2 7QQ. No telephone activation's will be allowed. You are permitted to change up to 3 teams out of the 5 teams you selected on your entry form. You can change any team you like they do not have to come from the same league that also includes your wildcard selections.
