All of your substitutions are now in place and with past season's you can tell if your changes have been activated because your team name will be followed by [S]. If you think I have missed your substitution request please contact the FNL Helpdesk. Also this season I am running the sub comparison option where once a month I let you know how you would have been doing if you hadn't made your changes. If you would like to be part of this please again contact the FNL Helpdesk.
