Weekly update

Up to and including
Saturday 12th January 2014

A few of you have contacted me this week as your substitutions have not been activated yet, one thing I have noticed is that some of you have clearly sent your changes to the old e-mail address. Please send all FNL enquiries to the e-mail address below. So if you know you have sent your subs to the old address please re-send them to fni07544@btinternet.com. Also another reminder that this season I am running the sub comparison option where once a month I let you know how you would have been doing if you hadn't made your changes. If you would like to be part of this please again contact the FNL Helpdesk.

Last Saturday the FA Trophy reached the last sixteen stage and that means any of the teams that won their respective ties gained 25pts for reaching the FA Trophy Quarter-Finals. Also during this past week we have seen Kidderminster Harriers beat Peterborough and move forward into the FA Cup Fourth Round which means another 25pt bonus. In the fourth round they will be away at Sunderland.

Finally this week we have seen our first teams reach the 10,000 point mark, in fact five teams have reached that milestone. What is quite stunning is the performance of our bottom team Barney's Clowns. I have always thought that finishing bottom is the hardest thing to do in FNL. At the moment our bottom team is a whopping 7,029pts behind our leader Fishermans Walk. What is more worrying for the other players trying to finish bottom is that they are a massive 370pts adrift from anyone else and that gap will really take some clawing back.

The Top 3 teams currently leading the January 2014 Manager of the Month.

1. Athletico BB664pts (117th)
2. Divot And Divot661pts (390th)
3. GeorgeBanana651pts (1,052nd)

Here are the Top 5 teams who have scored the most points over the past 7 days.

1. Athletico BB406pts (117th)
2. InterLet403pts (932nd)
3. Me And The Missus398pts (1,242nd)
4. Bob Wilson AnchorBang396pts (483rd)
5. Smilers Allstars390pts (3618th)

Bottom Team over the last seven days.

- Bot. Ravensburgh Rovs60pts (299th)

The position in the brackets is the place that team holds in the main FNL table.

Top Team in each of the leagues are

- | | | |
