

# Weekly update

Up to and including  
SATURDAY 5TH SEPTEMBER 2015

Welcome to the first update of a new season of Fantasy Non-League. Today's update covers the period Saturday 8th August 2015 through to Saturday 5th September 2015. Well here we go again!! Welcome aboard another Fantasy Non-League journey. It's an adventure that will take us all the way through to May 2016 and the end of the season. There will be lots of bumps on the way and I am sure you have experienced quite a few already. If you are new to the game? Welcome I can promise you a great ride.

As always at the start of the FNL season we begin with an appeal, if you can't find your team or I have miss-spelt it please get in touch with the FNL Helpdesk (Not the paper please). Can I however ask you not to get in contact until after you have seen the full table on-line (Please note that the full table will not be on-line for a couple of days). This season as always has seen a number of incorrect entries. If you know you have made a mistake please contact the FNL Helpdesk preferably by e-mail or text. However I will be contacting all those who have made a mistake over the coming weeks and that will be before the end of September 2015.

Now for some info about the game itself, please remember that the early entry bonus of 500pts does not count towards the first Manager of the Month. On the subject of Manager of the Month the first one is a joint one including both the months of August 2015 and September 2015. Please remember new for this season is that the end of month League Leader & Bottom club bonuses do not count towards Manager of the Month. Only the actual points scored via the results count towards your Manager of the Month total each month.

As we have now passed into the month of September that means we already have a set of end of month league leader's bonuses to let you know about for August 2015. Don't forget again this season the bonus is worth 25pts per league leader and -25pts for the bottom club each month. Remember the leaders and bottom clubs in The Mixture are only based on the eight teams in each section.

Vanarama National Premier – Forest Green Rovers/Kidderminster Harriers,  
Vanarama National North – Solihull Moors/Bradford Park Avenue,  
Vanarama National South – Bath City/Weston-Super-Mare,
