Up to and including
SATURDAY 12TH SEPTEMBER 2015

Welcome to the second update of a new season of Fantasy Non-League. Today's update covers the period Sunday 6th September 2015 through to Saturday 12th September 2015. In today's update you learn how you can discover your points total and place in this season's competition if you don't have access to the internet. Also news on FNL Mini-Leagues.

As always at the start of a new FNL season I like to begin with an appeal, if you can't find your team or I have miss-spelt it please get in touch with the FNL Helpdesk (Not the paper please). Please make sure you check on-line before contacting the Helpdesk. This season as always has seen a number of incorrect entries. If you know you have made a mistake please contact the FNL Helpdesk preferably by e-mail or text. However I will be contacting all those who have made a mistake over the coming weeks and that will be before the end of September 2015.

If you have no access at all to the internet I am happy to supply a text service every two or three weeks with your position in the FNL table and the points you have scored. Please can I ask that as I do this competition all by myself that you only request the text service if you have no access to the internet at all. It is not possible for me to do hundreds of texts. If you would like to take advantage of the text service please send a text to the FNL Helpdesk with team name and surname please.

Over the last few years I have run a number of FNL Mini-Leagues. These mini-leagues are updated every two weeks and appear on my own fantasy website. So if there are a number of you involved in the fight for FNL supremacy then why not ask me to run you a mini-league. I do it free of charge. An example of what I mean is I have three mini-leagues that have run for a few years now one is a set of St Albans City supporters, Havant & Waterlooville supporters have one and Marine FC also have a mini-league. If you would like to have you own FNL Mini-League then again please get in touch with the FNL Helpdesk.
