

Welcome to the latest update of a new season of Fantasy Non-League. Today's update covers the period **Sunday 18th September 2022 through to Saturday 24th September 2022**. In this week's update, I take a look at who is in the running for our first Manager of the Month of this new FNL season.

So, with just six days left in the month of September 2022 we are fast approaching the awarding of our first Manager of the Month award of the FNL 2022/23 Season. This is of course a joint award for the months of August & September 2022.

Let's have a look at who is in the running for the first cash of the season. Leading the way is **ST DENNIS AFC** with 4,238pts. They are only 2pts ahead of second placed **ROOTS HALL** and 31pts ahead of third placed **MATLOCK TOWN**. The top ten is covered by only 73pts.

At the bottom it is not quite so tight. In bottom place is **CALAMITY KEIR** with -424pts and they are 25pts adrift from **MALTIP RESERVES**. The bottom five is covered by only 93pts.

So, with just six days to go and quite a few games still to be played before the 30th September 2022 and the monthly bonuses to be added it could be a very interesting finish to our first 2022/23 Manager of the Month.

I will be doing my first text update this week; this service is available to anyone that doesn't have any internet access at all, and I text out an update every three weeks. Now I need to concentrate on the first set of FNL Mini-Leagues. If you have asked me for an FNL Mini-League and haven't given me your list of teams yet can you do this as soon as possible please.
